

PKU air®

Life's better when you lighten up.

The lowest calorie ready-to-drink protein substitute for PKU
designed with you in mind.

There's something in the air...

You don't listen to the same music or wear the same clothes as you did when you were younger, so why would you want the same protein substitute?

Given the importance of diet for life, we've developed the next generation product just how you wanted it.

You asked for a product with...

We developed **PKU[®]air[®]**
Specifically designed with adults in mind

air... a new taste experience

Five fantastic flavours designed just for you

88%
said they
liked the
taste, or
liked it a lot*

new flavour

PKU air[®] yellow
mango breeze

78%
said the smell
is better than
their previous
protein
substitute*

PKU air[®] gold
coffee fusion

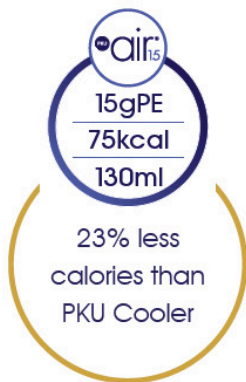

PKU air[®] green
citrus twist

PKU air[®] red
berry blast

PKU air[®] white
caribbean crush

PKU air®...a lower calorie option

PKU air is the lowest calorie ready-to-drink protein substitute for PKU

Low in volume

It's quick and easy to take at uni, at work, or when out and about.

Available in a choice of pack sizes to suit you

Can be tailored to meet your specific requirements.

You can take smaller 15g PE (protein equivalent) pouches more frequently.

Or, if you'd prefer, take fewer of the 20g PE pouches.

PKU air® ... there's more

PKU air, it's not just a protein substitute

Contains
134mg of DHA
in PKU air20
pouch

Vitamin D

10.1µg in
PKU air20
pouch

Folic acid

101µg in
PKU air20
pouch

Calcium

400mg in PKU
air20 pouch

Iron
